

Terms and Conditions

- A handling charge of 2.5% applies to all transactions.
- There is a €1,500 max transaction for laser but we can process multiple transactions (subject to availability of funds). There will only be one handling charge applied to each policy transaction.
- Laser and credit card transactions are only available for euro denominated policies.

Please note that no days of grace are allowed in respect of motor insurance.

You are reminded of your obligation implied in every contract of Insurance to advise Underwriters of any change in circumstances, material facts or of any information which could influence Underwriters. Failure to do so could seriously affect your position in the event of a claim.

Insurances are effected on the express condition that pending receipt of the premium from the Insured, we reserve the right, notwithstanding delivery of the policy or receipt to the Insured, to cancel the policy, obtain a refund from the Insurers and apply same in the reduction of the amount due by the Insured.
